School Survey Results: see graphs. Estimated response rate 25%

3. SCC Training:

Bylaws:

- Mindy gave out two samples from other schools for each SCC member to review and discuss at another time

4. Budget: on track

5. SNAP Plan:

- inconsistencies in map and written plan noticed. It may be that they are from two different years. Mindy will drive each of the routes and make sure instructions are correct and logical.
- 50 new parking spaces have been added for patrons. Public to be notified prior to P/T Conferences
- Concerns to be take the to District: poor lighting for evening events
- Concerns for Sandy City: student cutting through the park instead of using crossing guards
- 300 E. sidewalks very uneven and unsafe for biking children

- Note to look at sidewalks in Crescent Park. Many children bike through here. Is it safe? Remind parents in newsletter as spring comes.
6. Review of January's safety incident:
- a good learning experience. Needs clarification in communication. Overall response, especially from Police and District sources, very quick and effective.
7. Digital Citizenship:
- The SCC reviewed the paragraph Mindy had written to send to parents via the newsletter.
 - To add: District policies (Mindy will see about getting this from Kelly), a paragraph recommending students leave devices at home (2 have been stolen at school this year)
8. Other
- Trustlands goals: due March 30. Do we want to redo to include more than meeting Benchmark? Do we include SAGE testing?
 - End of year school celebration: Date and time chosen: May 24 5:30-7:30
 - Ask PTA for help since our council is so small
 - Amy will contact Lara Herway for a review of last year's carnival

Next meeting: Feb 16th 4:00 p..m.
