Thank You!

Thank you for your overwhelming support of the Holiday Music Program. We are working with the PTA and SCC to ensure that the program next year is more accommodating to parents. A special thank you to Mr. White, our music teacher, for his efforts.

Science Fair

Our annual Science Fair will be on Wednesday, January 11th at 9:15 a.m. All participating students, will be invited to an ice-cream party the afternoon of January 18th. The projects that will be going on to the district fair will also be rewarded at the party.

Character Trait: Responsibility

During the month of January, we are focusing on the character trait of responsibility. Students are learning that responsibility means doing what you say you will do. We are also discussing being accountable, reliable, and dependable.

Kindergarten

Believe it or not, it is time to start registering kindergarteners for the 2017-2018 school year. If you have a child that will be 5 by September 1st, please come into the office and fill out the registration forms. Please share this information with neighbors that will have incoming kindergarteners.

Box Tops

Please send all the Box Tops you have collected to school with your student. The PTA will be collecting them from classrooms this week. If we collect 11,000, our school DJs will come to lunch to help us celebrate.
