Reading Goals Met

Congratulations to each grade level for meeting their January reading goal. The reading goals were based on the number of students who met the benchmark for fluency and accuracy on one minute reading passages. The reward for meeting the goal is an art project determined by the grade level. Thank you to the School Community Council for allocating cell tower funds to pay for the art projects. Grade levels have set their next goal for March.

Thank You Volunteers

A special thank you to all of the parents who volunteered to make our Valentine's Celebrations so successful. The students had a great day celebrating and focusing on Caring – the character trait for this month. Thank you to the PTA for arranging for volunteers and providing cookies and drinks for all students.

PTA Jog-a-thon

The following message is from Crescent's PTA Board:

Crescent PTA is busy preparing for our annual Jog-a-thon. This year the Jog-a-thon will be in conjunction with **Red Ribbon Week**, with the theme being "Run Away from Drugs." We are really excited, and it should be a lot of fun! We need your HELP to make it a success! In order to motivate the kids, we need **PRIZES** of all kinds to be used in a raffle. Every student will have the opportunity to win prizes. If you or your business would be able to donate cash, in-kind donations or even gift cards, we would greatly appreciate it. All donations can be tax deductible. We are also looking for volunteers to help us capture the Jog-A-Thon on camera. If you will be available on Friday, March 25th and would be interested in being a **photographer** for us that day or can provide prizes, please contact Marissa Stephens: phone: 801-403-5831 or email:
