## Food Drive

We have one more week of our food drive. Thank you for the contributions you have already made. The last day we will be collecting food is this Friday, March 11. Just a reminder that in order to qualify for the Conquering Cub award students need to participate in service at the school. Students that are unable to help with the food drive can still talk to their teacher about providing service at school.

BANK

## Jog Club

The following message is from the PTA:

We invite all students to come run with us during lunch recess from March 14 to March 24, in preparation for the Jog-A-Thon on March 25<sup>th</sup>. This is PTA's only fundraiser.

Everyone is automatically part of the club. We will encourage all students to run with us. PTA volunteers will keep track of each ¼ mile lap your student runs, provide incentives to complete as many as they can, and encourage them to get in shape.

By encouraging your student's participation in running club, you will help them:

- 1.) Benefit from being healthier
- 2.) Increase the distance they can run
- 3.) Help them see how accomplishing small goals can turn into accomplishing big goals

We hope that participation in the running club will lead to lots of smiles during the PTA's Jog-A-Thon.

## Red Ribbon Week

The following message is from the PTA:

We are celebrating Red Ribbon Week March 21-25. Celebrating a healthy and drug free life will be the focus of the week's activities. Next week your student will bring home more information on what we will be doing and how you can help your student participate in the week's events.

Red Ribbon
