Rolling Out the Red Carpet

What an exciting morning we had yesterday! We rolled out the red carpet to welcome our students. The students gave us high fives and were excited to be at school. Thank you parents for your support – it was a great first day!

School Community Council (SCC)

The School Community Council is a group of elected volunteer parents and school staff members whose main purpose is to create a spending plan for Trust Land monies and support reading goals. We meet once a month for approximately one hour. We are currently accepting nominations until **August 26th**. If there are more nominations than vacancies an election will be held. If necessary, elections will be held starting on September 7th.

School Rules

As a school, our goal is to positively reinforce good behavior. Our school-wide rules (known as ROARS) are:

Respectful
On task and Focused
Always uses appropriate language
Responsible
Safe

Students will receive Cub Credit Cards for following the ROARS rules. Please take a moment to review the rules with your students.

Boosters

Similar to last year, 1st through 5th graders will participate in boosters for two hours each week. Students will attend Playworks, Library, Engineering, and alternate between Visual Arts and Music. Kindergarteners will alternate between Playworks and music 30 minutes each week. We are excited to welcome our new Beverly Taylor Sorenson Music Teacher - Mr. Daniel White, our new Engineering Technician - Ms. Calli VanTassell, and our new Visual Arts Technician - Mrs. Samantha Heder.
