Reflections Winners

Congratulations to Duncan E & Taylor G! The two Crescent students have been selected to represent their Reflections entries at the District Level, after winning at the Council Level. Duncan is competing in the film category and Taylor in the 2D-Art Category!

Holiday Music Program

We are excited for our Holiday Music Program on Tuesday, December 20th. Students will need to arrive by 5:45 p.m. The show will start promptly at 6:00 p.m. Please plan plenty of time for parking. Each grade level will be performing. We anticipate the show will conclude at approximately 6:30 p.m.

Science Fair

Our annual Science Fair for 4th and 5th graders will be on January 11th. If your child is participating, please encourage them to fill out their science notebook and begin their experiment. Thank you to the PTA for providing tri-fold boards for each project.

Winter and Recess

As it becomes colder outside, we want to provide you a few reminders. We will have indoor recess if the temperature is less than 22 degrees (including wind chill) or there is a significant amount of snow or rain falling. Otherwise, we will have outdoor recess. Please make certain that your children dress appropriately for the weather.
