Principal's Message

I can't believe it is almost time for school to start! I am excited to have the students and teachers in the building. I am also looking forward to Back to School Night on August 18. We will begin at 5:30 p.m. with a general meeting followed by an open house. It will be a great opportunity to learn about PTA and the School Community Council. Students will be able to meet their teachers and see their classrooms. Enjoy the last few weeks of summer.

Sincerely,

Mrs. Robison

New Elementary Schedule

Following recommendations from a task force of elementary school teachers, the Canyons Board of Education approved a new elementary school schedule that will restore early-out Fridays and provide teachers with the tools they need to help ensure success for every student.

The new schedule will give teachers time during the school day to collaborate to ensure each student succeeds. Trained specialists will provide curriculum-based instruction in physical education (Playworks), music, library, and STEM (Science, Technology, Engineering, & Math) while teachers meet to collaborate and plan their instruction. These sessions will be known as Brain Boosters and will be 30-minute sessions.

Brain Booster Schedule:

- Kindergarten will meet once a week with the Playworks Technician on Monday or Wednesday
- 1st and 5th grade will meet on Monday and Wednesday
- 2nd, 3rd, and 4th grades will meet on Tuesday and Thursdays

Early-out days will be held on Fridays only. **School will not release early on other days during short weeks in which classes are not held on Fridays.** During such times, collaboration and planning time for teachers will be adjusted as appropriate. More information can be found on the school website.
