

## Crescent SCC Agenda/Minutes 2018-2019

In Attendance: Katie Gailey, Mindy Sollis, Christa Smith, Shelly Beck, Casey Draper, Camie Montague, Delfi Eme

Call to Order

Welcome

Minutes from previous meeting: Christa moved to accept previous minutes, Camie seconded motion, and all approved the minutes.

Academic:	School is doing great in Core 5. Some teachers are resetting students after they pass Core 5 so they can review skills if not solid the first time.
Behavior:	Behavior has been a little rough the past few weeks. Could be due to lots of indoor recesses and short weeks.
Technology:	A paper (English and Spanish) copy of the Den Dispatch was sent home this week asking parents if they needed technology in their home.
Community Needs	A member was asking about Student Council requirements. 4th grade teachers recommend, Camie interviews them, Booster teachers have to approve.
School Needs	School Carnival - food trucks want too much money. Sherry Iverson is going to talk to the owner of Iceberg to see if they can donate the proceeds. Celeste Pearson will be in charge of it. Inflatables ordered. Race - 5K and fun run. Prizes for top 5 girls, boys, men, and women for each race. Mugs with prizes. Suggestion: silent auction for art projects, bring in furniture to be repurposed and auctioned off. Christa can make a pdf letter to send home asking for parents to donate services or products for the silent auction. Armlength of raffle tickets for \$20. Get our carnival put on Community Calendars (new stations) - Shelly will do this. Brooke is doing a flyer. Posters will be made. Christa will make a list of local businesses to start contacting. PTA/committee/teachers will make calls to those businesses asking for donations. Air Med - Shelly will see if they can bring a helicopter to let kids see it. Both buildings are reserved so there won't be soccer or anything going on.
