- January 22-25th: Playworks Jr. Training

Digital Citizenship

As a school, we are committed to helping our students stay safe on-line. Throughout the year, students will attend two assemblies and have mini lessons in their class to support digital citizenship. We are grateful for Ms. Draper and Ms. Schmolt's efforts to keep our students safe on-line. We will have more information in upcoming messages.

Crescent Cubs Persevere!

Talk about things that you as a child, teen, and adult had to struggle to achieve. The first step to persevere is setting a goal. The second step is to make a plan that supports the goal and never give up. Staying with the task and not giving up shows commitment. Being proud of small gains even when you haven't achieved the goal you set, gets you closer to achieving the goal. Keep a positive attitude in completing tasks. Try again and again and again ,even if its hard. Being patient and willing to work hard will help you be successful in all of the things that you do.

Happy New Year! Welcome 2018

I hope everyone had a relaxing Winter Break! I am so excited to announce that the Crescent Cubs have a new logo for the New Year! Our booster teachers will be doing some fun Cub activities this week in their classes. **Call for all artists!** We would like to have our Crescent cubs draw a cub that represents their grade. We will have a contest and pick a cub per grade level. Once we have narrowed it down each grade, we will pick a name for the cub. Please encourage your children to draw a cub and turn it in to the main office. I have attached an application for the contest to thid email. Print it off and fill it out or pick one up in the main office.

Pick-up and Drop-off!

We have many students that walk to and from school. Please be patient and careful when driving in our school zones. Please encourage your children to use sidewalks and crosswalks in the parking lot and off of school property. Please remember, we are an idle free zone. When your car is idling, it emits harmful emissions. Every 10 minutes creates one pound of carbon dioxide per car. Air pollution is linked to asthma attacks, lung disease, and allergies, We have several children in our school that struggle with breathing this time of year. Every minute helps.

Welcome to our Crescent Family!

We are so excited to welcome our new 1/2 time morning kindergarten teacher, Mrs. Platt. Our kindergarten numbers have increased significantly since the first of the year. Mrs. Platt is a wonderful addition to an already strong Kindergarten team. This will help lower our numbers and give smaller learning groups for our young cubs. Thank you to the families that so willingly changed classes and schedules to make this happen.

Crescent Cub Contest

Purpose: To strengthen our school culture. Give students an opportunity to create and display original works of art that will be appreciated for years to come.

Contest Guidelines

- 1- Artwork must be original.
- 2- Each design must only have one artist.
- 3- Artist must submit a sketch and application by January 31st to Mrs. Lloyd.
- 4- The cub must be colored.
- 5- If chosen Crescent Elementary has the right to use the cub, display it in the building.
- 6- If chosen as a grade there will be a contest for the name.

Crescent Cub Contest Agreement and Application

I agree that this piece of work is mine and it is an original. I give the Crescent Elementary rights to the art work if I am selected. I turned my artwork in by January 31st. I have submitted a picture with application.
