Digital Citizenship As a school, we are committed to helping our students stay safe on-line. Throughout the year, students will attend two assemblies and have mini lessons in their class to support digital citizenship. We are grateful for Ms. Draper and Ms. Schmolt's efforts to keep our students safe on-line. We will have more information in upcoming messages.

Crescent Cubs CARE!

Our Cub Trait the month is "Caring" for each other and the world we live in. Caring and cooperation are positive behaviors we'd all like to build in our Crescent Cubs; however, very young children tend to see themselves at the center of their world. As they grow, children start to develop social awareness and learn to care more about other people and their feelings, reactions and perspectives. Please help us teach our cubs how to build relationships through kind words, actions, good deeds and soft touch. We want our cubs to learn how their words and actions affect others. Our actions can make people feel happy or sad. Please model thoughtfulness and cooperation, so that we can learn to collaborate, practice kindness, and do things for others. There are some suggested books to read at home on our website under reading.

Technology Fundraiser

We are off to a running start we have raised \$3,100 so far! Mrs. Bromfield gets to kiss a farm animal, Kindergarten gets to be toilet papered like mummies and the Third grade are going to dress up like superheros! I'm feeling pretty comfortable that I won't be eating any BUGS @ \$10,000... However, I'm thrilled that there is NO CHANCE!!! (double dog dare) that I will be forced to dress up like a BYU fan @ \$12,000! Thank you to everyone that is helping us raise money for technology! We also appreciate those who have donated money as well. We will give out the last of the chocolate boxes on Tuesday Oct 3rd.

Halloween Celebration Reminder!

Don't forget we will be celebrating Halloween on Friday, October 27th. Students are welcome to wear costumes that adhere to our dress code. Our parade will begin outside at 9:15 AM. Students will need to wear normal school clothes on Monday, October 31st.

Chick-fil-A Night

Want an idea for dinner? Come support our school and get fed at the same time at the Sandy South Towne, Chick-fil-A on October 25th from 5:00 – 7:00 PM Mention Crescent Elementary and our school will get a percentage of that night's proceeds.

New Staff Members

Please help us welcome to our Crescent family our music teacher Marie Smith, Katie Schmolt our IT support and our art booster Katie James. We are so excited to have them at Crescent!
