Super Easy, Super Fast Reading Incentive Program

No individual goals, only school wide goal. The goal is purely minute based. Promote with a DJ video. We could do one video to explain the whole thing, or one video to introduce each month's reward. We can have a video ready for the beginning of next week, if you'd like.

<u>Month</u>	<u>Minutes</u>	<u>Reward</u>
January	150,000	Reward: DJs in February (inside lunch) Kindergarten reward: DJs come for 5-10 minutes
February	175,000	Reward: Paper covered tables at lunch with crayons Kindergarten reward: Sidewalk chalk for recess time
March	200,000	Reward: Food reward (doughnuts/cookies, popsicles, etc.)
April	225,000	Drop Everything and Read Month (Day is April 12) Can the DJs read to the kids for 5 minutes once a week this month? It would be pre-recorded. Reward: Extra recess. It would be fun to have an organized game or two going on. We have time to come up with something. I'm happy to come supervise the recesses. Hopefully the other parents on SCC would be, too.
May	250,000	Reward: DJs in June (outside lunch) Kindergarten reward: DJs come for 5-10 minutes
