

School Community Council Meeting Notes

October 2, 2014

Welcome

Attending: Anthony Godfrey, Natalie Aitken, Ellen Stone, Debbie Shumard, Amy Jex, and Laura Herway

Previous Minutes

Amy Jex read the previous school community council minutes from September 22, 2014. The notes were approved by Natalie Aitken and seconded by Debbie Shumard.

Trustlands

Trustlands went live as of September 21, 2014 and our school has updated our version on the website. Ellen Stone presented a final report for our school from the 2013-2014 school year. She indicated the value of our tier 2 reading program and how it affected the students at Crescent last year. She also told the School Community Council the plan to implement tier 2 this year.

Her report indicated that 118 students last year received services from tier 2. 51% of the students who attended reached end of year benchmark, grew, or exited tier 2. 4% of the students qualified for resource services. 41% showed progress but stayed on the same level. 2% moved to a lower level and 2% moved schools.

Our Trustland goal is now 80% of students reaching end of the year benchmark in both reading and math. Our current Trustlands represents our current student level and our proposal for continued use of the tier 2 program.

We are starting the year with 70% of our students on benchmark in every grade and we are eager and will be working hard to help get each grade up to 80%.

Reading Program

Our new reading program is starting this month – in October. An email was sent out to the teachers alerting them to the specifics of the program. The Student Council is working on a video to introduce them to the program. Natalie Aitken will work on posters (received from Amy Jex) for the students to see which villain they are “defeating” each month.

View Videos

Please view the 2 training videos. This year, the staff at Crescent will view a training video in a faculty meeting. Also, each member of our SCC should attend a training offered through Canyons School District. Please find a time to attend and learn your job as a SCC member. The dates are: October 8, October 22, and October 29. Members were given a pink paper with the times and places. Also, an email has been sent out to each member with that information on it.

Flag Ceremony/ Reverence

Crescent Elementary is responsible for the flag ceremony and reverence at the Board Meeting on November 11, 2014. Laura Herway and her Cub Scout troop will help with the flag ceremony. Anthony Godfrey will do the reverence.

Meeting Adjourned

The meeting ended at 5:30. Amy Jex adjourned the meeting with Laura Herway seconding the motion.

Next Meeting - January 26, 2015 at 4:30
