

## Crescent SCC Agenda/Minutes 2018-2019 December 5, 2018

In Attendance: Katie Gailey, Mindy Sollis, Christa Smith, Shelly Beck, Casey Draper, Camie Montague, Delfi Eme, Brooke Kemp

Call to Order

Welcome

Introductions

Previous Minutes: Christa made a motion to approve them. Camie seconded, all in favor, 11/7 minutes were approved.

Academic:	Crescent had Core 5/Lexia training with teachers on 12/4. When the school started at the beginning of the year, 78% were not on grade level, 20% on grade level, 2% above. Currently, 40% not on grade level, 41% are on grade level, and 19% are above grade level. Kids are loving the gold star they earn when they pass a grade level. They can do the skill builder worksheets if they pass the entire program for retention.
Behavior:	Behavior seems to be getting better. Think Times are minimal. 158 minor incidences, most happening on Tuesdays, 2:00. 7 office referrals.
Technology:	Scholarship hotspots and technology. 32 families are in need. Camie is working on getting iPads and a hotspot available for a number of families who need a Chromebook/technology. \$20/month for internet, \$50 for Chromebook. 60 minutes/week of Core 5 to keep scholarship. Will help to bridge the gap for low kids. 50% of our kids who are below grade level would be in this demographic. In process - may happen 2019-2020 year. If Crescent paid for it this year, here is an option: Carvers restaurant would donate \$2000. Cell tower money could provide the rest (\$5360). Cell tower money is about \$12,000. Monitoring: Filters will prevent misuse, or device will need to be returned. We would provide a night for those parents to come in for training on how to log in, who to call for tech support, get digital citizenship tips, etc. SCC will revisit this in January.
Community Needs	
School	1. Communication - email vs. paper. Send principal message home in paper and translated in Spanish. Follow-up survey - do you read the newsletter? Do you want a hard copy? Etc. 2. School Neighborhood Access Plan (SNAP) Concerns parking lot, we need more lighting

Needs	Access Plan (SNAP). Concerns - parking lot; we need more lighting, sidewalk by trailer park is not maintained (snow, trees/branches removal). New Crescent Assistant Facilities Manager - Joel Mitchell.				
Next Meeting	January 9, 2019 (Date changed)
