Attendance

Please make it a priority to have your children at school and on time everyday. The level of instruction and interaction cannot be replaced with reading a book or worksheet. When students miss school, they miss not only academics, but friend and social changes Our goal is to not have Crescent Cubs miss more than 18 days in a school year. Reminder notices for attendance will be sent out after 10 and 15 days of absentee excused or unexcused. Please contact us with extenuating circumstances.

Building Resilient Kids

We are working on a school-wide process for students to change their tone of voice, look the other student in the eye and say "STOP"(touching, name calling, poking me) then walk away! If it happens again "STOP"(touching, name calling, poking me)"or I'll Report!" If it happens again, report what is happening to an adult. This procedure helps all children establish their own personal space and how to advocate for themselves.

Crescent Cubs Celebrate Diversity!

We are different but, we are the same: Teaching children about diversity teaches children to respect and celebrate the differences in all people. Learning about different cultures, traditions, and heritage creates a level of understanding and unity. It helps our Crescent Cubs realize that we are all humans, despite the differences of how we look, dress, eat or celebrate traditions. Creating cultural activities offers a fun way for young children to learn about others similarities and introduce the concept of our differences such as race, religion, language, traditions, and gender.

PTA and Crescent Cubs need you!

The PTA Executive Board still has open positions for next school year! We need your help. See our position needs & current nominations below. If you are available to volunteer contact crescentcubspta@gmail.com for more information or ask at the front office.
