

Mrs. Morgan

Kindergarten

Mrs. Morgan-

Welcome to kindergarten! We are going to have a wonderful year! I have taught kindergarten and first grade for 23 years. My favorite subject is teaching science. You can contact me at shirley.morgan@canyonsdistrict.org

August 17th-19th: KEEP ASSESSMENTS by appointment. Please be on time for your child's assessment. First day of kindergarten is August 27th.

Remember to have a backpack, mask and water bottle with your name on them. No food or drink in the classroom unless cleared through the office and from the school approved allergy list.

Kindergarten will not be having classroom volunteers or send take home books that are exchanged with other students at this time due to Covid. We will re-evaluate in a few months.
