Relationships

We will continue with morning circles at school everyday. Being on time gives everyone a chance to check in, get ready to learn, and develop strong relationships with their classmates.

Volunteering

- **Background check-** Anyone who enters the building must have a background check.
- **Classroom-** None at this time
- **Teacher-** We have a room by the main office for organizing, cutting, tearing out pages that anyone can work in once the background check has cleared.

Restorative Practices

- *When students make mistakes they are given a chance to take ownership, make amends by apologizing or repairing the damage that has been done.*

Restorative practice is an opportunity to change behavior, and make things right again!

Mistakes are a learning opportunity not a life sentence.
